# ELEVATE: COSMETIC INJECTABLES & FACIAL ANATOMY COURSE .

After training hundreds of successful graduates through our Essentials course, we recognised a desire for more hands-on practical training. You will learn all components of the essentials program, as well as additional hands-on injecting time. Students will treat 12 clients over 5 days and graduate with over 15 hours of injecting time on your resume.

Keep your clinical career and start your new cosmetic injectable journey today!
