MAINTAIN INFECTION PREVENTION FOR SKIN PENETRATION TREATMENTS .

To deliver skin penetration treatments, you are required to hold the appropriate skill-set and knowledge to identify, manage and control infection risks to clients, co-workers and yourself.

This course has been developed for personal appearance workers to gain the required knowledge to comply with infection control regulations, standards, policies, procedures and guidelines.

This course is mandatory and must be applied in accordance with local council, commonwealth and state/territory legislation, Australian/New Zealand standards and industry codes of practice.
